

**Keep your kitchen smelling fresh and clean**

Simply designed to suit any kitchen, this effective hood whips away cooking odours to keep your kitchen smelling fresh.

Product Benefits & Features**For those who like no-fuss operation**

Do you need more or less power from your hood when preparing a meal? The controls on this model let you set the ideal extraction level at the push of a button.

Why spend more time cleaning appliances than you have to?

The aluminium cassette filter in this cooker hood is definitely low-maintenance. When it needs to be cleaned, simply pop it in the dishwasher!
