

### Quick heating and even cooking

The Series 20 FanCook Oven circulates hot air heat with its fan and ring element. Air is continuously moved around in the oven cavity, to make sure that dishes can be cooked on different level at the same time

## Product Benefits & Features

### Double Oven—multitasking made easy

Cook two meals at once easily. With the Double Oven you have the choice of fan cooking, conventional cooking and grilling. So you can bake a cake or roast a chicken at the same time. Making your kitchen adventure a little more convenient.

### Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

### Touch to time every meal / Perfectly timed meals with LED display / Time taken care of

Keep track of all your dishes with the LED timer display. Setting exact cooking times is straightforward with the touch-activated fields. Making it easier than ever to juggle a few different dishes at once.

### Oven light, for a better view

A powerful, well-placed oven light lets you see what's going on inside the oven while your food is cooking. So you can monitor your dish's progress, without having to open the door.

### Removable glass door for easy cleaning

The oven door's individual glass panels can be removed so you can easily remove crumbs or wipe away any accidental spillages. Simple solutions to common problems.

- Top Oven Functions:
- Economy variable grill
- Top heat
- Main Oven Functions:
- Fan Controlled Defrosting
- Retractable oven controls with LED display
- Economy variable grill
- Oven features:
- Clean 'n' clear enamel interior
- Conventional cooking

**Product Specification**

Colour	White	Oven Energy Source	Electrical
Energy Rating	A	Product Type	Double Cavity Built-under Electric Oven
Dimensions (Built-in, mm)	720x600x550	Gross weight (kg)	44.2
Functions	Defrost, Grilling, Light, Moist fan baking, True fan cooking, Turbo grilling	Net Weight	39
Connectivity	No	Tray types included	1 Dripping pan black enamel
Total electricity loading, W	5300	Main Oven - Shelves Included	1 Trivet chromed, 1 Wire shelf chromed
SteamCategory	No	Runners	Grid Runners Easy Entry
Type of timer min.	SET	Plug	No
Cavity Size (L)	45	Door surface temperature maximum in K - Top Oven	55
Self-Cleaning?	Clean enamel	Cavity coating	Black Enameled
Dimensions (mm) (HxWxD)	715x594x568	Nø of cavities	2
Oven knob type	Pop in / Pop out flat	PNC	944 171 732
Max power grill - Top Oven	2900	EAN number	7332543720613
Max power oven - Top Oven	3000	Voltage (V)	220-240
Temperature range	50°C - 275°C	Required Fuse	30
Largest Surface area	1175	Frequency (Hz)	50
Interior light	1, Back&Side halogen	Maximum Microwave output (W)	0
Energy efficiency index EEI	95.9	Colour	White
Energy consumption, conventional mode, kWh per cycle	0.94	Energy consumption per EU standard cycle	0.78
Energy consumption, hot air, kWh/cycle	0.71	ProdPartCode	All Open
Power (w)	25
